

Councillor Portfolios

Councillors who are portfolio holders have more specialised roles in promoting areas of council business representing the council while at the same time working with other agencies and the local community to tackle local issues. By allocating portfolio areas to councillors, they will be a contact for that specific area, and it will ensure a more even spread of work between members of the council.ⁱ

Below is a list of the portfolios which cover the main areas of council business.

Portfolio	Member Contact	Contact
Public Footpaths & Camel Trail Partnership	Cllr A Green	anne.green@blislandparishcouncil.co.uk
