## **BLISLAND PARISH**

### **NEIGHBOURHOOD DEVELOPMENT PLAN**

Blisland Parish Council has recently established a Steering Group to oversee delivery of a Neighbourhood Development Plan. Although still in its early stages you can see a description of what a Neighbourhood Plan is, and why it should benefit the parish, [if you follow this link](#).

The Neighbourhood Development Plan gives the people who live in our community a real say in what future development should be undertaken in the parish over the next decade, whilst ensuring that the Conservation Area and important buildings, such as the Church, are not compromised. The next step is that the Parish Council will deliver a survey to each household in the Parish during the week commencing the 15th of July; this is an important element in establishing what the community would like in the Parish and if you were able to complete the Survey when it is delivered it would be a great help. [If you click here](#) you can see the evolving library of the documents that will provide the evidence on which the Plan will ultimately be based.

Whilst Dominic Fairman was the Chair of the PC you received emails on an earlier version of the Neighbourhood Plan direct from him. The Steering Group is keen to ensure that the community is kept up to date with the Plan as the various proposals and policies evolve and would like to continue to use the existing email address list to communicate these Parish matters to you. The Parish Council will ensure that the way your data is kept will comply with the Data Protection legislation and that personal data will be protected and not disclosed to any third party.

If you would prefer not to receive the Neighbourhood Plan updates you can unsubscribe from the address list by simply clicking the 'Unsubscribe' button below. However we hope that you won't do this and that you are content to receive the updates.

And if there is anything else you would like to ask about the evolving plan feel free to email the Steering Group at [news@blislandparishcouncil.co.uk](mailto:news@blislandparishcouncil.co.uk) or come to the regular Parish Council Meetings that are held on the second Thursday of each month in the Village Hall; the Parish Council would be delighted to see you.
