

BLISLAND PARISH **NEIGHBOURHOOD DEVELOPMENT PLAN**

Distribution of the Neighbourhood Plan Survey

This is just to let you know that, as we touched on in our email of last week, a copy of the Parish Neighbourhood Plan Survey will be hand delivered to every Household within the Parish over the course of this coming week commencing Monday the 15th. It will be a real help in determining what issues matter to everyone who lives in our community if you are able to complete this.

Starting next weekend one of our volunteers will call back to each household to collect the Survey; alternatively you can drop off your completed Survey at the collection point in the Village Shop and which is located at the Post Office Counter.

If you have any queries or questions please don't hesitate to email the Parish Council Steering Group at this address:
