

The Blisland Parish Neighbourhood Development Plan

Your Future Your Say Your Neighbourhood Plan

During the course of the week commencing the 15th of July the Parish Council will be delivering a copy of the Parish's Neighbourhood Plan Survey to every household in the parish.

It will be a real help in determining what issues matter to everyone who lives in our community if you are able to complete this.

One of our volunteers will call back to each household over the following week to collect the completed survey.

Alternatively you would be welcome to leave it in the Blisland Community Shop.
