

BLISLAND NEIGHBOURHOOD PLAN

Steering Group Minutes

Date of meeting : 11 February 2020
Time: 1900
Location: Blisland Institute
Attendees: Karen Dickin ; Stephanie Meads, Lynne Clayton, Anne Green, Pete Keen, Steve Mason
Apologies: John Stansfield

Landscape Character Assessment

KD thanked everyone for completing the fieldwork templates. Discussed description of landscape types and decided on:

- 1) **Undulating Elevated Land** – Walk 2 (Pendrift Council Houses towards Pendrift); Walk 3 (Whitecross/Trewardale)
- 2) **High Moorland** – Walk 4 (Hawks Tor); Walk 5 (Carbilly); Walk 6 (Kerrow Downs) Walk 7 (Temple Tor).
- 3) **Valley** – Walk 8 (Waterloo); Walk 9 (Durfold); Walk 10 (Temple Valley); Walk 11 (Stokeley Farm);
- 4) **Valley Floor** – Walk 12 (Pendrift Bottom). *This was considered to be a distinctive landscape within the parish but did not fit the initially proposed title of Elevated Low Lying Land*

Next step to distil key points for each landscape type from the fieldwork templates. Decision to divide up this work.

Action: PK to draft Moorland and Valley Floor (Pendrift Bottom)

SM and LC to draft Valleys

As JS absent, KD and AG offered to draft Undulating Elevated Land

Timescale : circulate drafts by 28 Feb for discussion at follow up meeting 3 March

PK to produce 3 maps showing AONB, SSSI and AGLV
