BLISLAND NEIGHBOURHOOD DEVELOPMENT PLAN PROGRESS REPORT 11

You might recall that last July the NDP Steering Group forwarded a copy of a draft of the Neighbourhood Development Plan's Heritage Policy.

As part of the consultation on the emerging plan, the Parish Council thought it might be helpful to forward a copy of the updated Heritage Policy in the form of a presentation. The aim of this is to show the core elements of the Policy in a way that is relevant to the community, rather than being couched in terms of a formal policy document (which of necessity the actual policy has to be).

You can see a copy of the presentation by clicking on the button below;
